Credits & Make Up

There will be no credits or make-ups for missed classes regardless of the reason. Students may sell their working spot for a particular date to another [instructor-approved] student training at equal level.

Ongoing weekly agility classes:

Should weather affect our ability to finish class according to the schedule, credit will be issued for the remaining class(es) to be used towards the next semester.

Other agility and non-agility classes:

If we are unable to schedule a make-up session for a class that was cancelled due to weather, a credit or refund will be issued.
