GENERAL RULES

For safety reasons, all students are asked to have their dogs crated for the duration of class.

Crates are provided, or you can bring your own.

It is recommended you arrive a few minutes early to get settled so that class can start on time. Please keep your dog on leash when traveling from the car to the field and back.

For safety and liability reasons, all Agility equipment is OFF limits unless you are in class with your instructor.

Absolutely **no one is authorized to use any equipment on their own** before or after class or any other time as that is a safety concern for you and a liability to us. **Any violation of this policy can and will not be tolerated.**

Be sure to take your dog to potty prior to the start of class and always clean up after your dog (**anywhere on the property!**). Please try avoiding any accidents on the agility field and do not permit your dog to relieve himself/herself on any equipment or anything a human may have to touch (trash cans, posts, barriers, chairs, buildings,...). If he/she does, be sure to rinse it immediately.

PARKING

Please park in the main drive way in front of the house. Please avoid parking in the grass [unless there is no other option].
